Kit Inclusions (Timber)
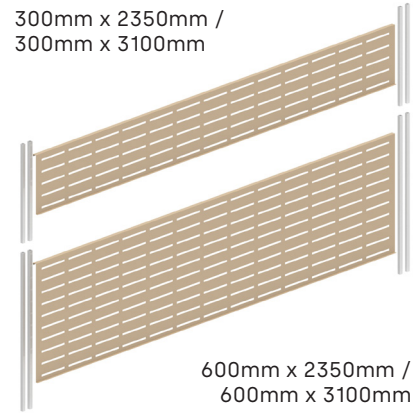

1 **1x Extension Panel**

2 **4x Posts**

**1x Pack of Tek Screws**

## Extension Panels

300mm x 2350mm /
300mm x 3100mm

600mm x 2350mm /
600mm x 3100mm

All Measurements in mm

Installation Guide

1

The posts would be powder coated the same colour as the extension panel
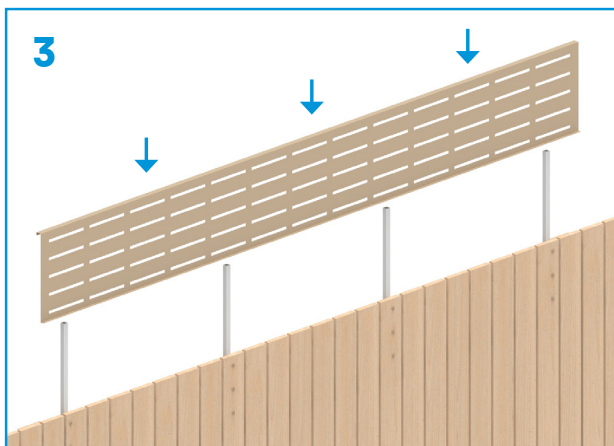

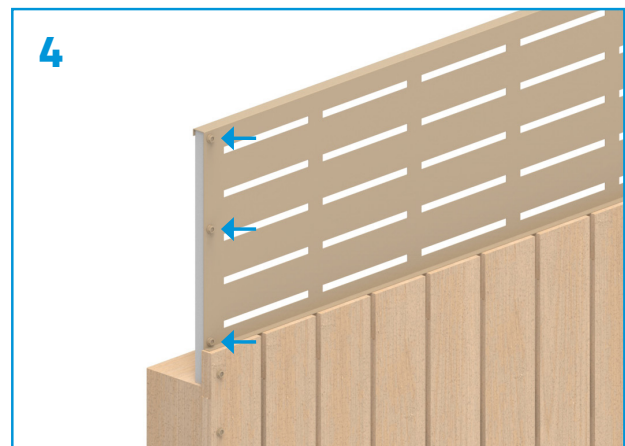

Post must be either 300mm or 600mm above fenceline

Place the post extensions 300mm or 600mm from the top of the post to the top of the rail or the fence depending on which height panel you are using.

2

Fasten the posts to the existing fence using the tek screws provided.

3

Slide the lattice extension panel over the posts.

4

Fix the lattice to the post using the tek screws provided.
